When we invest
in the community, this is
the only return we expect.

When we at Brockton Credit Union volunteer our time or money to a local organization, we don't expect any payment in return. Our satisfaction comes from seeing a child get his first hit in Little League or seeing a senior citizen get back on her feet after an injury. Giving to the community offers us a chance to say thanks. And it offers us a chance to smile.

Remember When.....

The awkward silence in 7HB and 8HB

We played the Food Game at Devon's house

We were awake at the beginning of the day? No? Me neither

Jen backed into Allison's car at Wendy's and all Allison could do was bang her head against the horn while Jen and Danielle laughed?

Coach Kel took off his hat during the Hanover game and shocked everyone with the colored hair

Abington football beat Rockland 25-0 in 2001

I beat Johnny Huynh at pool and won \$35 off my debt with Mysiuk

Brittany Byron tried to teach economics and Paul took over? Trivial Pursuit! That's good knowledge

We all got mad because we were in junior high and there was no more recess and we got detention for chewing gum

We were playing with Barbies yesterday and Prom seemed so far away and now Prom seems like yesterday and Barbies are so far away

Katie Neary missed the basketball bus, Michelle M, Jess M, Dee G, and Jay C had their own Junior Class lock-in

Crowley dropped off his car...every night, everyday was Friday for Borska, Vasselian made the cannon at Kristina's

Biggie got stuck at Woodsdale and Mrs. Shephard had to cut him out, everyone had bowl cuts, starter jackets, and hammer pants

We used to walk to Louie's and Tedeschi's everyday, we were in a constant search for the third wheel, it wasn't a carousel, someone took a left at the fork, we spent everyday in Darc's office

I was an elf and Stace was the hula girl, we went to the Hyatt, hid in my bathroom armed with only a plunger and broom, Stacey had eyebrows, Erin had bangs, and I was a geek
Stace checked our messages in Williamsburg...Milton J.; "score" was my word and the Bubba Gump Shrimp were all the same height.

I had bangs, anything could be an inside joke, and a 15 minute car ride took a half hour because we had to take the route

We played catch the desk in the Doc's class, when Tim bundled that kid in Ashland, we won the championship
The time at Green Street, Kaptain Krunch won the math meet all by himself, we stayed up for days at a time, Abington almost beat everyone at all sports, Johnny Tsunami lost at pool

We had to sing Elvis Presley songs in Mr. Kelly's class in 5th grade

Borski's cape house, Borski-leave my stuff alone, 4th of July at Borski's, Melville – always losing the battle, Greg – its been that long, Bowser's every weekend

We were first going into high school we counted how many times Mr. Kelliher would say "aite" in his speeches

Jen, there's water everywhere

MD broke into the cape house, we took hikes to Monticello's on half days, throwing woodchips at Jen's, JZ – trips to Hawaii, thanks, girls soccer, ES hit her on the head, X-mas party sing alongs, Good Luck 2003

Berry and myself defeated the 7 against odds and walked home victorious

We left Meghan's house at 12 and came home at 4 but all the doors and windows were locked

The Corsica and the escort, never forget the FSU times with the camera

Greg and Shane sang "De Colores" in 7th grade; Jon Mysiuk painted himself green and then turned blue
I remember a lot about school except things I've forgotten, school was fun, glad it's almost done, props to grade 1-11,
friends, family, and Bailey

We whip creamed the boys' cars

Sneaking out at eleven

Walking to Louie's on half days, dancing to Bumper to Bumper, bangs, starter jackets
We'd put sleeping bags over our heads and walk around? Or the Hyatt? Slippery! How about that band trip I didn't want to
go on? 5,4,3,2,1 set, set, set, set – thank you Mr. Pratt! Remember the squirrel that went bloop bloop

Michelle and Katie N went skiing and we got lost in the mountains, and remember, "what if it's cloudy out?"

In North School it was so cool in 3rd grade to cross the street to get the ball

EC and NP – Yarmouth Hunan! Dancing at Amherst, Christopher Lowell and Great Chefs, tuna fish sandwiches, the Love
Rock, PCC, Center School Crew, Uncle Sam and Ducks last night prank calls, sweet driveways

Melissa Eisenhower and John Baker passed out their wedding invitations in 3rd grade and got in trouble for it and when
everyone had bangs

Cole's house before games, Russell's during the summer, backyard football, March Madness 02, 03 repeat, the barn,
Russell in the thorn bush, Moose chest

Andy, Em, and Nik all rode in the front seat of the Buick through the DQ drive through

The words sluggish slug slug actually came out of someone's mouth, North School football at recess, recess was awesome,
we built the best ladders at the factory, Push. The concert. Too many to count, TNC fo sho!

The Patriots won the super bowl

We won our first gold medal at the NESBA show in New Bedford and when Dan dropped his stick at the Weymouth show

There was water all over my basement

Great Times dances were the place to be and starter jackets were cool

Angela, Steph, and Erin ran away from Mr. Hayes

Crowley got stuck out in the middle of the pond at Biggie's cape house
Boy bands were the music of choice especially Hanson

Nikki, Emily, and Carolyn spent the weekends laughing so hard they hurt the Grand, then finishing it off with some BK
SC, BM, GA, KS, JR, DV, AB, CB, CB were the late night crew

Everyone piled into Cindy's mom's car and unloaded onto Kim's trampoline

Greg sliced my nose open with a cheez-it

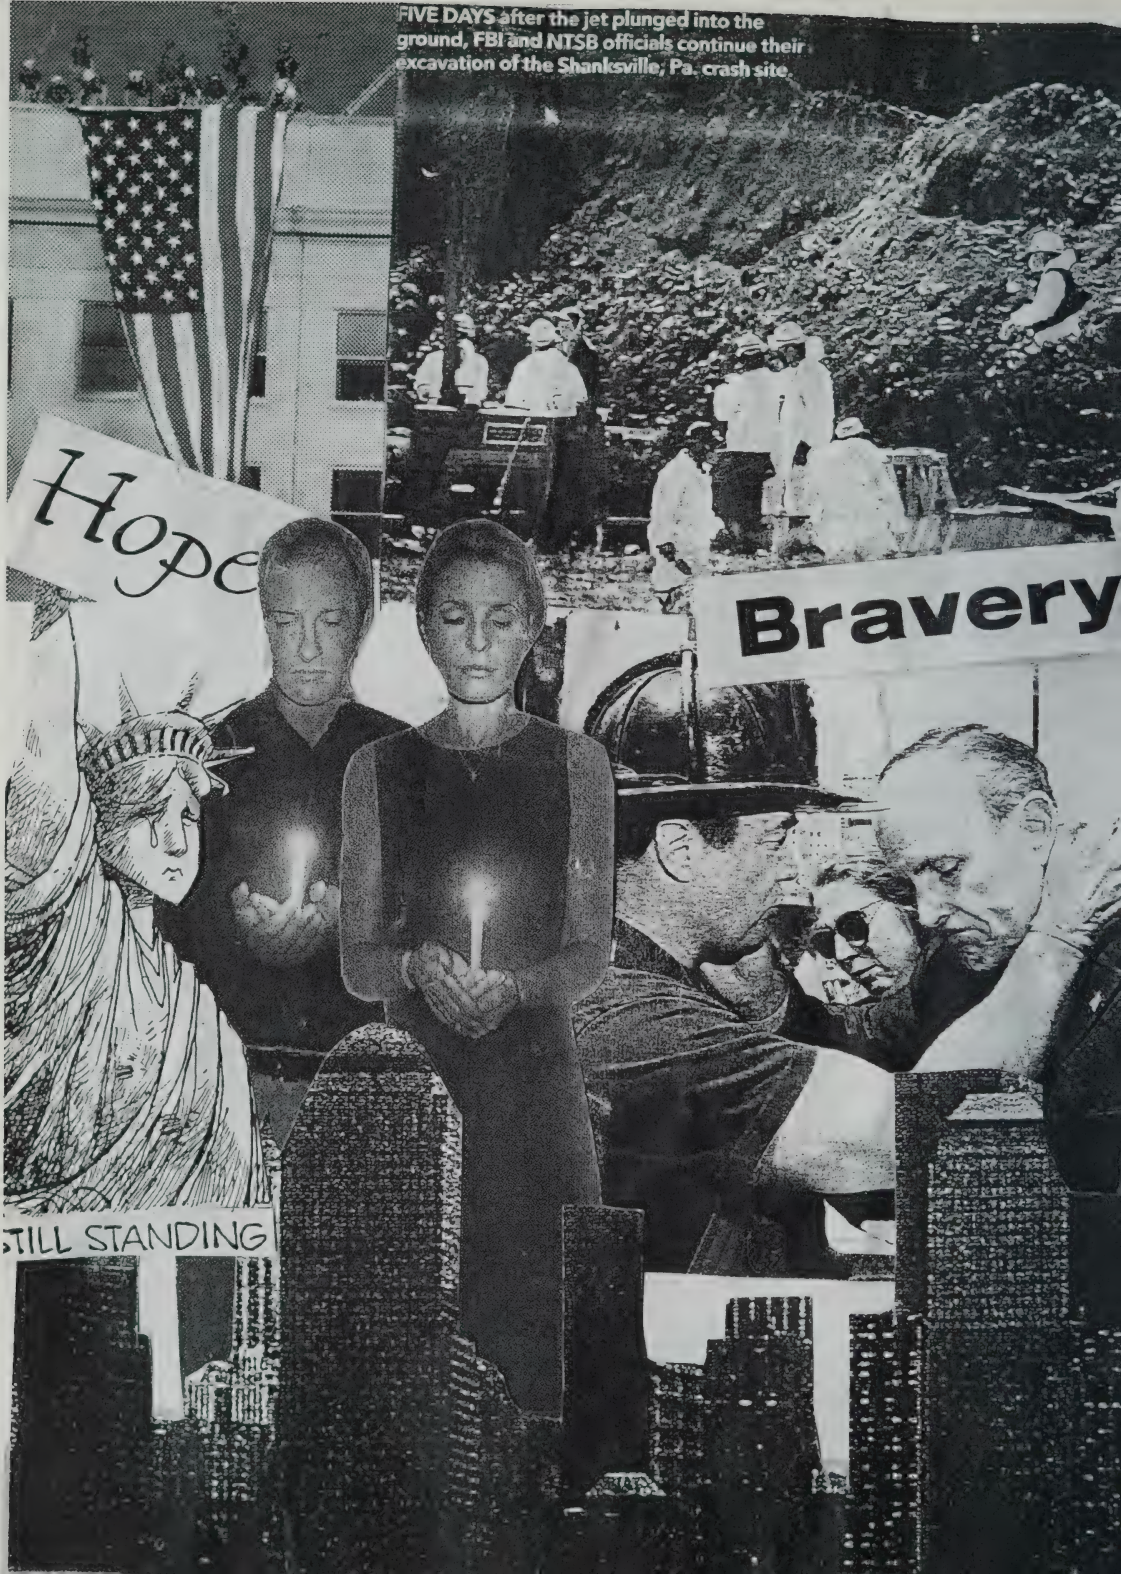

Meaghan-I sang in public in VA (na na na na na na hey hey hey goodbye), we saw "the twin"

There was a coyote petting zoo

I remember searching for the perfect words I was hoping you might change your mind. I remember the soldier standing
next to me riding on the metro

Remember When.....

FIVE DAYS after the jet plunged into the ground, FBI and NTSB officials continue their excavation of the Shanksville, Pa. crash site.
